

## Sway Community Speed Watch report dated 9/4/2022

This report shows the results for April 2022. For more detailed analysis and full history refer to our website at <https://swaycsw.weebly.com/>

This month we conducted 7 speedwatch sessions, reporting 62 speeding vehicles to the police. Highest speed detected was 50 mph – this was the same vehicle recorded last month doing 57 mph. That and one other were recorded speeding twice this month suggesting that more targeted enforcement may be required in addition to our Community SpeedWatch sessions.

### The main stats for this week of sessions are:

Date	Time	Hrs	Location	Vehicles reported to Police	Total Vehicles passing	Maximum Speed
4/4	08:00	1	DurnstownS	11	213	50
4/4	17:00	1	Pitmore NW	5	134	37
5/4	08:00	1	Pitmore NW	3	222	43
5/4	17:00	1	Pitmore M	3	144	42
6/4	08:00	1	DurnstownS	2	262	47
6/4	17:00	1	Arnewood	33	244	42
8/4	08:00	.5	DurnstownS	5	101	40
Overall		6.5		62	1320	50

Again, a higher volume of traffic was observed this month especially on the B3055 which is being used as a diversion route while the bridge at Holmsley is being replaced.

### What Vera Sees

Sway Parish Council’s Vehicle Activated Speed Limit Reminder counts vehicles exceeding the 35mph reporting threshold. From this data we can extrapolate the total number of vehicles speeding through Sway each week. The chart below shows this, along with the 8 week rolling average trend line.
